“THE CHI” IN OUR COMMUNITY

Recently, the hit Showtime program “The Chi” filmed prom scenes in our community for several days in March and April. The cast and crew were very warm and receptive. Kudos to our member Christine Washington. They filmed in and around her home.

VIDEO DOORBELL PROGRAM

CCC is finalizing details regarding this program. We had some setbacks with the city in March and early April. We expect to announce details in late April or early May. Information will be disseminated in our newsletter. Stay tuned.

PROBLEM WITH RACOONS

- Secure trash can lid. Use a rope, chain, or bungee cord to tie the lid into a secure position.
- Clean out your trash cans. Wash them out with the hose often. Sprinkle the inside with baking soda to remove any lingering odors.
- Pay attention to pet food. Raccoons are omnivores, so they will not pass up any pet
- food, feed your pets indoors.
- Identify points of entry. Inspect your house, garage, and fence. Look for holes 3 inches in diameter or bigger.
- Use a solution to repel raccoons from entry points and nesting areas. Boil one cup of cayenne pepper and 3-5 chopped habanero chilies with water in a pot and let it cool. Transfer it into a spray bottle. Spray the entry points you have identified.
