INFORMATION AND ASSESS- MENT FOR SENIOR SERVICES

Excerpt from City Clerk Anna Valencia, Senior Guide

Information and Assessment is key to determining

which city services and programs are available for senior citizens and for eldercare service providers. Central Information and Assessment is in City Hall with five community locations in each regional senior center. This assessment will determine eligibility for many city services including, but not limited to home delivered meals, medical transportation assistance, senior companion program, legal assistance, senior housing information, caregiving resources, employment services, and life enrichment programs. Call **312-744-4016** or visit www.cityofchicago.org/fss to get started on your assessment today.
